dedicated to
the Glory of God*

PATTERSON PLACE LODGE, Camp Garaywa's new adult lodge facility, was dedicated in honor of long time WMU leader Marjean Patterson on March 15, 1999. The lodge contains 30 bedrooms, large meeting room, small kitchen, large screen porch, and is handicap accessible.

The 100 person capacity meeting room contains a gas log fireplace and small kitchenette.

On the second level, the large screen porch with cane back rocking chairs is the highlight of the facility. A perfect place to relax and enjoy the atmosphere of camp.

The Lodge contains 27 rooms with 2 queen size beds, 2 vanity sinks, recliner, and large lighted mirror and vanity shelf. Three handicap accessible rooms with 2 double beds are also available.

A spacious lobby overlooks the entrance and lower lobby level.
