Transitional Pastor Training Attendees:

This note is to share some information about the times, location and prices of this training event on February 4-7, 2008.

The entire meeting for the Transitional Pastor Training will be at Camp Garaywa in Clinton, Mississippi. There is a map enclosed in this packet of information.

The prices for rooms and meals are also included in this information. Each person attending will be responsible for their transportation, room and meals while here. Monday evening's meal and all snacks during the training will be taken care of by LifeWay.

There is some information you need to give us as we prepare for this training. We need to know how many meals you will be partaking of while at Garaywa. We also need to know if you will be staying alone or will be sharing a room with someone. Once we receive this information, room assignments can be made.

Please bring one check to be made payable to Mississippi Baptist Convention Board for the room and meals and another check to be made payable to LifeWay Christian Resources for the balance of the fee for the training.

Please check all of the information in this packet, and if you have any questions, give me a call.

Sincerely,

Bruce Cappleman
